Wish I Could go Back

~Wish I could go back~  
><br>I wish I could go back  
><br>To the way things used to be  
><br>I wish I could go back  
><br>To before I became me  
><br>Back when I was so innocent  
><br>And I wasn't afraid to care  
><br>Back when life was just so simple  
><br>Before people had a reason to stare  
><br>To before that fateful day  
><br>The day I lost my friends  
><br>The day I lost my faith  
><br>The day my happiness would end  
><br>Because when I lost my friends  
><br>I thought I could live no more  
><br>In such a lonely life  
><br>Wondering what I was living for  
><br>And I guess that's when I changed  
><br>Became what I am now  
><br>Became the girl no one knows  
><br>And lived through it all somehow  
><br>But I distanced myself  
><br>From the ones that I loved most  
><br>And from that day on  
><br>Wouldn't let anyone get close  
><br>Because of all this pain  
><br>Lying forever in my heart  
><br>Because all of that pain  
><br>Kept tearing me apart

><br>And making me feel  
><br>So completely alone  
><br>And into this hateful life  
><br>I was seemingly thrown  
><br>And now my greatest enemy  
><br>Is none other than me  
><br>And so it took me so long  
><br>Before I could finally see  
><br>That I was in such denial  
><br>Didn't know what to do  
><br>Afraid of what was to come  
><br>And what I'd go through  
><br>Cause now I have them back  
><br>Yet so distant I have been  
><br>Cause I'm just so terrified  
><br>That I'll lose them again  
><br>And if I did  
><br>I don't think I could survive  
><br>And so from all of them  
><br>My feelings I will hide  
><br>And I'm just so confused  
><br>Wishing it was all just a bad dream  
><br>And I'd wake up as that little girl  
><br>As a member of the team  
><br>And I wish I could go back in time  
><br>So that I could fix it all  
><br>Wish I could go back in time  
><br>Back to when I was small  
><br>Cause then things would be different  
><br>I just know that they would be  
><br>If only that sweet little girl  
><br>Hadn't turned into me.

End  
file.
